The meeting closed at 8.05 pm.

Signed

Chairman, 

Clerk,

Date

20/5/24

Appendix One – Appendix to extraordinary Parish Council Meeting held on 23 April 2024

Lound Parish Council Response to Garden Village Scoping

The village of Lound will not really be affected by the development although these problems may impact on our residents:

Negative side

Having a large development so close to the village which is going to take such a long time will have an impact by noise and pollution.

The A47 main road that runs to the East of the Parish will have more traffic which can overspill into the village. A case in point would be any planned and unplanned traffic disruption and blockages.

It is a shame that there will have to be a larger school as the Lothingland site, with a little forethought, could have been used.

Concern that infrastructure is not developed before the building takes place.

Positive side

Employment opportunities by the business park

The provision of sheltered housing for older residents closer to facilities.

Signed

Chairman,

Clerk,
